

Love Is the Only Way

By David J. Lanners

(Sung to the melody of *The Rose*)

C **G7**
Some see life in bits and pieces
F **G**
that come and go with no desire.

C **G7**
Some see life in tattered pages
F **G**
that turn without love's fire.

Cmaj7 **F(add 9)**
Some see life as halls of darkness
F **G7sus** **G7**
with empty walls of fright.

C **G**
I say life it is a blessing
F **C**
and love, its only light.

C **G**
It's the mind in charge of nothing
F **G** **C**
that tries to take control.

C **G**
It's the past that's gone forever
F **G** **C**
that fights to keep us small.

Em(B Bass)Em **Am7**
It's the one who shuns his mission
Am7(G Bass)F **G**
who never sees the sun,

C **G**
The one who trusts only reason
F **G** **C**
who's always on the run.

C **G**
When your life has reached a crossroad
F **G** **C**
with choices all unclear

C **G**
And you're tempted to blame or fold
F **G** **C**
'cause your mind's filled with fear,

Em(B Bass)Em **Am7**
Take some time to feel that whisper
Am7(G Bass)F **G**
coming from your heart today.

C **G**
It's the answer you've been seeking –
F **G** **C**
love *is* the only way.
